

PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA

CHIEF HEARING OFFICER DIRECTIVE

DOCKET NOS. 2020-275-S ORDER NO. 2020-130-H

DECEMBER 15, 2020

CHIEF HEARING OFFICER: David Butler

DOCKET DESCRIPTION:

Application of Condor Environmental, Incorporated Requesting an Expansion of Its Existing Sewer Service Area to Include Certain Portions of Anderson County and Saluda County and Approval of Agreement (Request for Expedited Review)

MATTER UNDER CONSIDERATION:

Motion to Reconsider Order No. 2020-128-H Granting Petition to Intervene of Saluda County Water and Sewer Authority (SCWSA)

CHIEF HEARING OFFICER'S ACTION:

Condor Environmental, Incorporated (Condor) moves for reconsideration of Order No. 2020-128-H granting the Petition to Intervene of Saluda County Water and Sewer Authority (SCWSA). Condor states that the order erroneously states that no objections have been filed to SCWSA's Petition to Intervene, and that Condor filed an objection on December 11, 2020. Condor therefore asks for reconsideration of Order No. 2020-128-H, and requests that the intervention be denied, based on the objection.

Reconsideration of Order No. 2020-128-H is hereby granted, and the Order is hereby vacated. Condor correctly notes that the Order erroneously stated that there were no objections to the intervention and that, indeed, Condor did file an objection. Accordingly, the Order No. 2020-128-H is vacated at this time. However, the request to deny intervention based on the objection is denied at this time. The entire matter of the Petition to Intervene of Saluda County Water and Sewer Authority and the Condor objection is hereby referred to the full Public Service Commission for review and disposition at a later date. This ends the Chief Hearing Officer's Directive.
